

Applicable to Your Cover Travel Insurance Policies (effective 17 January 2025) issued by **House of Travel Papamoa** to **Volunteer Build** clients

Policy to be read as follows:

Rental Car Insurance Excess cover (included for all insured drivers under Volunteer Build Cover-More YourCover policies) for vans and utes rented by 'Volunteer Build'. All vehicle rentals must adhere to the terms and conditions of the Rental Car Agreement agreed to with the Rental Car Agency and also comply with the conditions of the YourCover Rental Car Insurance Excess section.

Section 4: Personal Effects

Exclusion 4 is amended to read:

- items left unattended in any motor vehicle unless forced entry is gained and no reasonable effort is made to conceal the items

Exclusion 5 is amended to read:

- any amount exceeding \$6,000 in total for all tools of trade left Unattended in a motor vehicle. (In addition to \$2,000 restriction stated for personal effects)

In addition to the above cover is approved for the following :

Cambodia: Cover is approved to participate in building work on stilt houses excluding any work on the roof of the building.

Mexico: Cover has been approved for roofing work to a maximum of a one-storey building provided that all necessary safety measures and precautions are followed

Vanuatu/Pacific Builds: Cover has been approved for roofing work to a maximum of a one-storey building provided that all necessary safety measures and precautions are followed

All Builds: The following tools are authorised for use by Volunteer Build insured persons :
Concrete mixers, grinders, drop saws, circular saws, battery jig saw, battery router, electric drills, battery reciprocating saw and nail guns along with general hand tools used in building work.

Yours sincerely

Selina McGowan
